

# Chinese New Year

It's that time of the year,  
Laugh so much it brings you tears.  
Dragon and Lion dances on the go,  
Gather everybody to see the show!  
Plenty of traditional foods,  
Which one would you like to choose?  
Fireworks shooting up high,  
Brightening up the whole night sky.  
Let's celebrate and have a toast,  
Family together means the most.  
Health and wealth at the best thing,  
I am giving you all my blessing.
