

25th June 2020

Dear **(Insert pupil's name)**

I am pleased to confirm that your application has been successful for September 2020. Welcome to Ulidia Integrated College!

The College received over 200 applications this year and was only able to accept 110 from all those who applied, so very well done indeed!

You may be wondering why it has taken me so long to get this letter to you. I held off as I had hoped to have something concrete to tell you about what August/September might look like for our year 8 pupils – but, unfortunately at the time of writing, we are not much further ahead with definite plans. It does not look like we will be able to accommodate all of you at the same time for our usual big induction activities due to Covid19 social distancing restrictions – but I sincerely hope things might change before then!

This is the strangest welcome letter I have ever had to write, as normally we would have invited you in to school in June and enjoyed meeting you on induction days, completed some baseline testing in order to put you into classes and pathways, and answered any questions you may have had, but unfortunately I cannot do that this year.

What I can guarantee is this: all decisions will be taken with two primary targets in mind – health and safety for all, and maximising learning opportunities for all pupils.

Website Information for Year 8 Parents 2020

As soon as we have reliable instructions from Government as to what August/September will look like, we will post our plans on the school website under the **Year 8 Parents' 2020 section**.

In this pack you will see a large information booklet which is for you to read and keep, and a smaller booklet which you need to fill in and return to us as soon as possible. **We would much prefer it if you filled the booklet in online on the website, but the paper copy is also acceptable.** <https://ulidiacollege.com/welcomeyear8>

If you have any questions, please email us at info@ulidiacollege.com

I hope you enjoyed your time at **(Insert Primary School)** and I am certain that your time at Ulidia Integrated College will be even more enjoyable!

Once again, welcome to our family here at Ulidia!

Yours sincerely

When will I know what pathway – Grammar or All Ability – my child will start on?

With such an unusual start to the year ahead, we have not been able to do our usual online baseline testing. We will start the year in all ability groups linked to form classes until we can carry out baseline testing fairly and decide on appropriate learning pathways as soon as possible.

Where can I get the Ulidia Integrated College Uniform?

Gordons Jeanery Ltd. 10a Green Street, Carrickfergus, BT38 7DT

Message from Gordon's:

Both Gordon's in Carrick & The Jeanery, Glengormley will reopen on Friday June 12th at 9.30am. We are totally Covid-19 compliant in both shops. We feel we don't need to think of an appointment system just yet. The complexities are enormous so we will list a few things that might be helpful.

1. Current legislation states we cannot allow your child to fit on. However we have staff who can size very quickly and accurately and if you need to exchange sizes we will be arranging a late night for that purpose.
2. If you are sure of your sizes we can have your order ready for collection. You may phone on our land lines. You will just notify the staff member at the door when you arrive.
3. It will be very difficult to put uniforms over with a deposit so please do your best to purchase and pay. Obviously we will do our best to help you plan.
4. Please have your list of requirements ready and only bring the child or children who are being kitted out.
5. If you have a child with special needs please call us and we will do everything we can to help. If you can bring the measurements of last year's jumper we can work from that.
6. Usual 10% discount during June & July on everything except honours blazers.
