## **The little book of EMA**

All you need to know  
about EMA for academic  
year **2020/21**

### **What is EMA?**

Education Maintenance Allowance is a **weekly allowance of £30 to help 16, 17, 18 and 19 year olds** with the costs of further education.

Payments are made every 2 weeks as long as you continue to meet your school or college's attendance requirements.

There are also 2 performance based bonuses of £100 normally paid out in January and June.

**Getting EMA won't affect any benefits you or your family already receive.**

**Read this guide to find out more about EMA**

**[www.nidirect.gov.uk](http://www.nidirect.gov.uk)**

## Do you already get EMA?

You don't need to do anything, we'll contact you in spring about your EMA for 2020/21.

## Applying

**You need to meet the following requirements to be able to get EMA:**

You attend a post-compulsory further education course at an approved school or college in Northern Ireland. This must be full-time at school or a minimum of 15 guided hours per week at college, studying an eligible course and attending all classes.

### Nationality and residency

If you're a UK citizen who normally lives in the UK you should be able to get EMA. If you're not a UK citizen you may still be able to get EMA, go to [www.nidirect.gov.uk](http://www.nidirect.gov.uk) for more information.

You won't be able to get EMA if you've been approved to receive a Department of Agriculture, Environment and Rural Affairs (DAERA) Bursary or a Department for the Economy Further Education Award for the course you're applying for.

## What happens next

### You need to complete and return your EMA application form with the evidence we need

If you can't send the evidence we need right away, return your form without it. We won't be able to pay you until we get the evidence but this way we can make a start on your application earlier.

### We'll assess your application and send you an Award Letter

If we need further information or evidence to complete our assessment we'll contact you before you get your Award Letter.

### You need to sign Part 1 and Part 2 of your EMA Agreement with your school or college

#### Part 1

This part sets out the acceptable attendance for your course. You'll commit to attending the timetable defined by your school or college.

#### Part 2

This part sets out the learning objectives and goals that you must achieve to be eligible for bonus payments.

Your school or college need to tell us that you've been in attendance before we'll pay your EMA into your bank or building society account.

## Getting paid:

All EMA payments will be paid directly into a bank or building society account in your name.

If you haven't already got an account set up **in your name**, you should do so while you apply for EMA.

Before we can make any payments to you:

- you must agree and sign both parts of your EMA Agreement with your school or college; **and**
- your school or college must tell us you have been in attendance.

## What if I have someone to help manage my finances?

EMA is awarded to you, so we pay it directly to you. However, if you have someone who's authorised to look after your finances for you we'll ask for more information and evidence for this as part of your application.

## What if my circumstances change?

You need to tell us straight away if any of your details change, including:

- If your bank details change
- If your contact details change
- If your household income changes
