RESPECTIVE FUNCTIONS OF THE BOARD OF GOVERNORS AND PRINCIPAL IN RELATION TO ADMISSIONS TO THE SCHOOL

The Board of Governors draws up the admissions criteria and delegates to the Principal and a selection committee (if required) the responsibility of applying the criteria.

When considering which children should be selected for admission, the Board of Governors will follow the below outlined procedures precisely.

To apply to Ulidia Integrated College, two separate online forms must ***both*** be completed:

- The EA Transfer Application (an online form)
- The Ulidia Integrated College 'Pupil Admissions Form' (Online only: www.ulidiacollege.com)

The College will acknowledge receipt of this form online or on paper, within 7 working days. This official acknowledgement letter is the only acceptable form of proof of submission of a Pupil Admissions Form. If an official acknowledgement letter has not been received within 7 working days, it is the responsibility of the applicant to inform the Principal's Secretary immediately.

It is the sole responsibility of the parents/carers of prospective pupils to ensure that all information pertaining to their child and relevant to the Admissions Criteria of Ulidia Integrated College is submitted on the Ulidia Pupil Admissions Form, the EA Transfer Application or is attached to either form at the time of submission.

NOTES OF INFORMATION

- In accordance with DENI regulations, all children resident in Northern Ireland at the time of their proposed admission will be selected for admission before any child not so resident may be selected.
- Parents should use both the **EA Transfer Application** and the Ulidia Pupil Admissions Form to provide as much information as possible to assist the College in the application of its criteria. This **must** include your child's preferred religious category (Catholic, Protestant or Other/None).
- Through the application of the criteria the Board of Governors seeks to establish an overall balance between religious affiliations and academic abilities. These are the pre-eminent features which distinguish an Integrated school from all other schools.
- Our aim is to have an intake which is as close as possible to the ratio of 45% Catholic, 45% Protestant and 10% of pupils of other faiths or none (Other/None Category). The Board of Governors also seeks to affirm the all ability nature of the College, ensuring that each year group caters for all students, including the most academically able.
- NB: The provision of inaccurate, ambiguous or misleading information provided on, or attached to, any such application may prejudice the offer of a place and may subsequently lead to the withdrawal of a place awarded to any applicant who shall be deemed to have gained unfair and improper advantage by

submitting such information. **The College Authorities reserve the right to authenticate and seek verification of the content of any application.** In the case of a surname, the final decision will be based on the surname shown on the birth certificate, or any subsequent court order. The failure to provide verifying documents according to the required deadline may result in the inability of the College to offer a place.

ULIDIA INTEGRATED COLLEGE ADMISSIONS CRITERIA FOR ENTRY TO YEAR 8 IN SEPTEMBER

Parents naming Ulidia Integrated College as a preference on their applicant's transfer form must include the following information in the EA Transfer Application.

A) A Statement of the preferred **religious affiliation** of the applicant, either:

- **Catholic (category 1)**
- **Protestant (category 2)**
- **Other/None (Please state, even if 'None') (category 3)**

If religious affiliation is **not** stated, the College will use the information provided on the **EA Transfer Application** to make the following presumptions:

- The applicant will be deemed Protestant if transferring from a controlled school;
- Catholic if transferring from a maintained school and
- Other/None if transferring from an Integrated school or preparatory school.

If information provided on the **EA Transfer Application** and the Ulidia Pupil Admissions Form contradict each other, the Official **EA Transfer Application** form information will be accepted.

B) 35% of places are available for pupils wishing to apply for the Grammar Pathway. **Parents of academically able pupils wishing to be considered for Grammar Pathway entry must clearly indicate this on the EA Transfer Application. Supporting evidence of academic ability must also be attached.** This evidence may be one or more of the following suggested indicators: PTE/PTM scores, or any other standardised test results available from the child's primary school; a school report which reflects high academic ability; or equivalent supporting evidence.

*Note: Evidence of higher academic scores **do not advantage an applicant's chances for entry.** Academic evidence is simply an indicator of the student's suitability for the Grammar Pathway and is not used for differentiating between or rank ordering applicants for Grammar Pathway entry. Confirmation of a place on either the Grammar or All Ability Pathway will **only** be determined by internal baseline testing and available data **following admission in September.** **Being offered a place through Grammar Pathway entry does not guarantee a pupil will begin on the Grammar pathway – final placement is subject to the baseline testing mentioned above.***

The remaining 65% of places will be allocated to the All Ability Pathway.

YEAR 8 ADMISSIONS PROCESS

The College will initially:

- Determine which Pathway (Grammar or All Ability) each applicant has applied for
- Starting with the Grammar Pathway, allocate each applicant to their declared religious affiliation
- Within each declared Pathway and religious affiliation, rank order each applicant according to the 'criteria for determining rank order' (see below)

The admissions criteria will then be applied within each of the three religious categories in the following order:

Application to Grammar Pathway (35% of available places)

Step 1: Allocate equally from Catholics and Protestants until 30% Grammar places have been thus allocated or until either one or other of those Categories is exhausted.

Step 2: Allocate, initially, up to 5% places from the Other/None category.

Step 3: Allocating just one place at a time, starting at Category 1 and working in sequence through Categories 1, 2, and 3, allocate from those Categories which still have transferring pupils, until 35% places in total have been allocated.

Application to All Ability Pathway (65% of available places)

Step 4: Those who applied for Grammar Pathway entry and were not admitted at step 3 will then be automatically included for selection through All Ability admission. The College will then allocate equally from Catholics and Protestants until 60% of the All Ability places have been thus allocated or until either one or other of those Categories is exhausted.

Step 5: Allocate, initially, up to 5% places from the Other/None category.

Step 6: Allocating just one place at a time, starting at Category 1 and working in sequence through Categories 1, 2, and 3, allocate from those Categories which still have transferring pupils, until 65% places in total have been allocated.

CRITERIA FOR DETERMINING RANK ORDER

Notes:

- *In the case where an applicant meets both '3a' and '3b' criteria, they will only be credited once.*
- *For Criterion 1, all applicants are awarded '0' rank order points on applying for Grammar or All Ability Pathway to ensure there is no rank order advantage in applying to either pathway.*
- *Each remaining criterion will then be allocated a descending numerical value (criterion 2 being the highest score, criterion 6 the lowest score) for the purposes of rank ordering. **Total scores are cumulative.***

If the number of applicants for a pathway exceeds the number of places available, the criteria listed below will be used in the following order to determine a rank order of applicants for each category:

1. Beginning with the Grammar Pathway, the Board of Governors in seeking to affirm the all ability nature of the College will ensure that each year group caters for students of all abilities, including the most academically able. Grammar Pathway Entry is available for a maximum of 35% of the intake. The College will strive for religious balance, both within the Grammar Pathway entry, the All Ability Pathway entry and the overall admissions number.
2. Transferring pupils who have a brother, sister or foster brother/sister currently attending the College. Please note that all applicants including those with half-brothers/sisters and/or step brothers/sisters currently attending the College will only be admitted under this criterion if they reside at the same address. Names and dates of attendance must be stated*.
- 3a. Transferring pupils whose parent/carer is an employee of, or member of, the Board of Governors of Ulidia Integrated College or who is due to take up an appointment in the forthcoming academic year.

OR 3b. Transferring pupils who are the first child* of the family** to transfer to mainstream post-primary education since the establishment of Ulidia Integrated College in 1997.

** Twins and other multiples who are the eldest in the family are treated as joint first children. In the case where a twin or other multiple is accepted onto the Grammar Pathway, the other sibling/siblings will be deemed to have met criterion 2.*

***DE has been advised that this definition of "child of the family" covers: a child born to a married couple; a child born to a co-habiting couple; a child of either of those people by a previous marriage or relationship; a child living with same sex partners whether there is a civil partnership under the Civil Partnership Act 2004 or not; an adopted or fostered child; a situation where for example an orphaned cousin is being brought up with a family. The child should be a child of the family as at the date of application since these complex living arrangements may change rapidly.*

4. Transferring pupils who are currently in Primary 7 of a Grant-Maintained Integrated primary school or a Controlled Integrated Primary School as defined in the Education Reform (Northern Ireland) Order 1989.

5 Parents /Carers of transferring pupils who can demonstrate a commitment to Integrated Education.

(If Criterion 5 is to be deemed applicable to parents of transferring pupils, they are asked to clearly state their commitment to Integrated Education, as defined in Note 1 below, on the EA Transfer Application.)

6. Pupils whose parent/carer has indicated a first or second preference for Ulidia Integrated College.

In the event of over-subscription in the last criterion that can be applied at each stage of the process, selection for places will be on the basis of the initial letter of the legal surname (as shown on the birth certificate) of the child wishing to transfer, with the child being selected in the order set out below:

K H N M c S U T O M a c R M E W Q L V Z B F G P C X J A D Y I

The order was determined by a randomised selection of letters. These letters will also be used in the event of a tie occurring at any of the above admissions stages. In the event of surnames beginning with the same initial letter, the subsequent letters of the surnames will be used in alphabetical order. In the event of two identical surnames the alphabetical order of the letter of the first forename appearing on **EA Transfer Application** will be used. Hyphenated surnames, consisting of two separate surnames will be treated as one complete word for selection purposes.

Note 1: Demonstration of commitment to Integrated Education (Criterion 5 above) will be measured *only* by the following;

- The submission of a 'Pupil Admissions Form' for Ulidia Integrated College
 - Membership or employee of the Integrated Education Fund, Northern Ireland Council for Integrated Education, All Children Together, any Integrated Education Trust; and/or
 - Membership of the Board of Governors or employee of any other Integrated School.
 - Transferring pupils whose Parents / Carers were former pupils of Ulidia Integrated College; transferring pupils who have formerly had a brother/ sister or foster brother/sister enrolled in the college
-

DUTY TO VERIFY

The Board of Governors reserves the right to require such supplementary evidence as it may determine to support or verify information on the **EA Transfer Application** or appended to the same by parents/carers. For verification purposes original documents are required and not facsimiles or photocopies.

The provision of false or incorrect information or the failure to provide any requested verifying documents within the deadline set by the college will result in either the withdrawal of a place or the inability of the College to offer a place. It is the responsibility of the Parents/Carers to ensure that:

- The **EA Transfer Application**, Ulidia Pupil Admissions Form and other necessary documentation are correctly completed and present
- All relevant information is included on or attached to the **EA Transfer Application** including the religion of the applicant, and any material relating to a grammar entry application.
- Any required verification documents are provided within specified deadlines.

YEAR 8 WAITING LIST POLICY

The College will only consider admissions commencing at the start of the academic year (unless in exceptional circumstances as determined by the Principal).

All applications for admission that were:

a) Initially refused, b) New applications and late applications received following the completion of the Transfer Process and c) Applications where new information has been provided will be placed on a waiting list that will be used in the event of a place becoming available.

Please note that rank order on the waiting list is not determined by the date the applicant joined the waiting list. When a space becomes available, the admissions criteria policy will be applied to all open applications. These applications will remain open until 1st May that academic year at which point the application is deemed to have lapsed.

Should there be more applications than places available the procedure outlined in the Admissions Criteria for

entry of children to Year 8 will be followed. Parents/Carers who wish to have their child considered for admission in the event of a place arising after 1st September should write to the Principal's Secretary clearly stating this.

In the event of such application, the Board of Governors will only make an offer if there is a place available and the pupil's needs and Health and Safety considerations can be met.

If the application is made by an applicant who arrived in Northern Ireland after the transfer process has been concluded and the College's Admissions Committee determines that the applicant is suitable to be admitted, the College will then seek Department of Education approval to admit the applicant through an additional place. If such approval is given, the applicant will be admitted.

Further information about Ulidia Integrated College can be obtained from the College's website or the Principal's Secretary.
