Year 11 Internal Exam Timetable

Thursday 26th May - Wednesday 1st June 2022

Please find attached the internal exam timetable for year 11. It is important that all students and parents / carers know the dates and times of the exams applicable to them. Please familiarise yourself with this timetable and speak with your subject or form teachers if you are unsure of anything.

Year 11 students have a mixture of external and internal exams. External exams are official exams set by the exam boards and carry a weighted percentage towards their overall grade. All students have been given an external exam timetable. Coupled with this, some students will also complete internal exams which are set by their teachers and detailed in this timetable.

These internal exams are to assess their progress and prepare them for their exams in Year 12. Year 11 students have been granted study leave from Wednesday 11th May returning on Tuesday 7th June, they do not attend school during this period unless they have an internal or external exam. They need to be outside the exam hall 15 minutes prior to the start time of their exam.

Yours sincerely
